## Message from the Commanding Officer

MCAS Cherry Point is proud to serve as the home of the Second Marine Aircraft Wing and the Marine Transport Squadron 1, to include the search and rescue unit PEDRO. Our mission is to provide quality facilities, ranges, aviation support, and services to promote the readiness, sustainment and quality of life for operating forces, tenant commands, and other activities and individuals associated with MCAS Cherry Point.

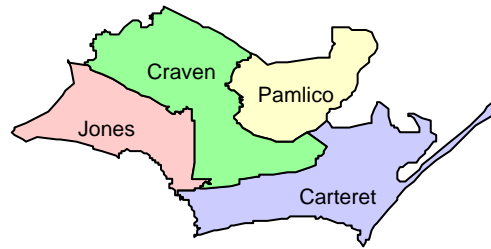

This brochure is intended to assist government officials, business leaders, civic organizations and local citizens in meeting planning and development requirements. The FY08 Economic Impact brochure produced by MCAS Cherry Point on 18 Jan 08 portrayed a mix of projected and actual data. In order to streamline production, increase the accuracy of the data, and align with the Regional Command MCIEAST; this brochure portrays actual FY08 data with no projections.

As one of the largest employers in Eastern North Carolina, MCAS Cherry Point and its tenant commands continue to significantly contribute to the economic health and stability of the entire state. During Fiscal Year 2008, salaries were \$1.27 billion, companies were awarded \$163 million in contracts and our overall economic impact was \$1.87 billion.

While serving as the Commanding Officer of MCAS Cherry Point, I have continued to promote the positive working relationship between the Air Station, its tenant commands, the local communities and the state of North Carolina. I recognize the exceptional community support and partnerships which have played a vital role in Cherry Point's ability to successfully meet its mission and goals. We are proud to be a part of Eastern North Carolina and together we can ensure that MCAS Cherry Point will continue to maintain military readiness in support of the national defense while providing the highest level of support and quality of life for our military and civilian families.
